

# ST. HUGH'S SPECIALIST COLLEGE

## GOVERNORS' ALLOWANCE POLICY

### Principles

The Education (Governors' Allowances) Regulations 2003 allows schools to implement schemes to pay or not pay governors allowances from the school's delegated budget. The aim of this policy is to provide clear guidance to governors on the types and values of allowances that can be claimed whilst undertaking governor duties, attending meetings or training courses.

Very few governors claim expenses, however, this policy has been created to enable people with limited incomes to become governors.

It must be noted that all members of the governing body will be eligible to make a claim against any expenses listed in this policy; governors will **not** be paid an attendance allowance and governors will not be reimbursed for loss of earnings

### Eligible Expenses

**\*child care and babysitting costs** (this does **not** include payments to a current or former spouse or partner or by a responsible person who normally lives in the family home)

**\* care arrangements for elderly or dependent relatives** (this does **not** include payments to a current or former spouse or partner or by a responsible person who normally lives in the family home)

**\* travel expenses when attending governing body meetings**

- to include committee meetings
- at a rate of 45.0pence per mile (first 10,000 miles) and 25.0pence per mile (after 10,000) , for cars and vans, up to a maximum of 50 miles (round trip) without prior approval, can be claimed in connection with any one meeting. These rates are in line with HM Revenue & Customs approved mileage rates, thereby not attracting tax, and are in line with the LA's rates per Appendix 1 – B.4 of the HR manual.
- where governors share transport only the provider may claim
- cost of public transport may be claimed (proof will be required)
- cost of taxi may be claimed in special circumstances otherwise payment based on mileage rate or equivalent bus fare will be used

**\* travel expenses when attending governor training courses**

- at a rate of 45.0pence per mile (first 10,000 miles) and 25.0pence per mile (after 10,000), for cars and vans, up to a maximum of 200 miles (round trip) without prior approval, can be claimed in connection with any one training course. These rates are in line with HM Revenue & Customs approved mileage rates, thereby not attracting tax, and in line with the LA's rates per Appendix 1 – B.4 of the HR manual.
- attendance on out of county training courses will require the approval of the governing body finance committee
- where governors share transport only the provider may claim
- cost of public transport may be claimed (proof will be required)
- cost of taxi may be claimed in special circumstances otherwise payment based on mileage rate or equivalent bus fare will be used

## Eligible Expenses (cont'd...)

### \* *subsistence expenses*

- reimbursement will be made on actual additional expenditure incurred, supported by an appropriate receipt or evidence of expenditure, limited to the maximum amount contained in Appendix 1 which are in line with the LA's employee rates as defined in the Human Resources manual section B.4.

To qualify for subsistence expenses the following criteria must be met:

- There must have been additional expenditure to that normally incurred.
- Claims will not be made where a suitable meal is provided free of charge
- The expense must have been incurred while working in the capacity of a voluntary Governor of the school.

Claims can be made, subject to meeting the qualifying criteria above, for:

- Breakfast – if business/travel commences before 7.00am
- Lunch – if Governors are carrying out their business, away from their normal/routinely area of lunch, over a period covering from 12.00pm to 2.00pm.
- Tea – if business/travel continues up to 6.00pm
- Evening Meal – if business/travel continues after 6.00pm

**If a number of Governors are meeting together, and individuals qualify for subsistence allowance, the school shall look to achieve best value by organising refreshments as a whole, i.e. a buffet.**

### \* *sundry expenses*

- relating to telephone charges, photocopying, postage and stationery, etc.

## Implementation

- in accordance with the Regulations expenses will be paid out of the school's annual budget allocation
- **(if applicable)** the finance committee will agree a budget for governors' expenses for the year, above which no further claims will be considered
- any claim above £50 will require the **prior** approval of the **governing body finance committee** (\*delete which is not applicable)
- travel claims may not exceed the specified rates by the Secretary of State for the Environment, Transport and the Regions – these change annually and details can be obtained from either the LA's Personnel Section or via the internet ([www.nyfvo.org.uk/info/travelexpenses/index.shtml](http://www.nyfvo.org.uk/info/travelexpenses/index.shtml))
- governors whose expenses are the subject of consideration must **withdraw** from the meeting at this point and take no part in the decision

## Authorising and Processing Claims

- payment will be made termly
- any governor wishing to make claims under these arrangements should complete a claims form (obtainable from the school office) and should attach associated receipts or proof of attendance

## Authorising and Processing Claims (cont'd...)

- the governor should hand the completed form to the head teacher who will bring the claim to the attention of the governing body or the finance committee to make a decision
- any decision to be recorded in the minutes
- following any decision to approve a claim the head teacher will be empowered to authorise payment of expenses by signing the claim form
- the head teacher will commit the expenditure to the appropriate budget heading and keep a record with the completed claim form and associated receipts

## Monitoring

- the governing finance committee will annually (spring term) examine the level of allowances paid to governors to ensure best value practices are being followed in principal and that value for money is being achieved.

## Accountability

- all claims will be subject to the normal LA audit arrangements and may be investigated by the chair of governors if they appear excessive or inconsistent

## Review

- the governing finance committee will annually (spring term) consider how the policy is operating in practice
- the \*governing body may, at any time, agree to withdraw the facility or review the criteria for claims

approval of policy:- Spring 2021	review of policy:- Spring 2022
-------------------------------------	-----------------------------------

**Appendix 1 – Allowances and Expenses**  
**(per Appendix 1 – B.4 LA HR Manual)**

<b><u>Allowance/Expense</u></b>	<b><u>Amount</u></b>
<b>Subsistence expenses</b>	
Breakfast	£6.91
